THE PEREGRINE CENTRE

A Black Box Parenting program workshop for those working with parents and families

Do you work with parents and carers who have had previous experience of domestic and family violence?

Do you find existing parenting programs aren't working well for this group of parents?

The Peregrine Centre is looking for clinicians and workers interested in becoming Black Box Parenting facilitators.

WHAT IS THE BLACK BOX PARENTING PROGRAM?

5 x 2.5 hr group sessions (allowing for a break) for parents and carers fortnightly

Individual phone calls or catch-up sessions for each participant in the "off week"

The Black Box Parenting Program is an innovative program developed specifically for the challenges after trauma.

The program is a great, non-blaming way to get parents thinking about how they interact with their children and how to manage some of the challenges of parenting after experiencing family violence.

It would make a great adjunct to individual or family work as well as a good precursor for other parenting programs such as Triple P or Circle of Security.
